The winner of the event will be presented with the Peter Finley Memorial Trophy. Peter was the winner of the very first Peterborough event in 2006 and it was the last tournament he won before his untimely death later that year. Note that prior to the Peterborough tournaments ceasing around 2015/16, there were actually two events each year (one free challenge, one penalty challenge), the winner of the perpetual trophy this year will be the player with the best wins/spread record in **any** division at this single event.
